"Life is a garden
Our actions, the seeds,
Kind acts, the flowers
Our errors, the weeds.
Shall we plant a garden
Of kind thoughts and deeds-
Or will it be errors
And a harvest of weeds?

Collect.

Keep us O God, from pettiness, let us be large in thought, in word, in deed.
Let us be done with fault finding, and leave off self seeking.
May we put away all pretense, and meet each other face to face without self pity and without prejudice.
May we never be hasty in judgement and always generous.
Teach us to put into action our better impulses straightforward and unafraid.
Let us take time for all things, make us grow calm, serene and gentle.
Grant that we may realize it is the little things that create differences, that in the big things of life we are as one.
And may we strive to touch and to know the great common womans heart of us all, and O Lord, God, Let us not forget to be kind. Mary Stuart
